The [Timeshare Users Group Marketplace](#), operated by and for timeshare owners, offers a unique alternative to traditional resellers by providing a straightforward, transparent platform without large upfront fees and zero commissions! Since its inception, the marketplace has facilitated tens of millions of dollars worth of successful transactions with 100% of the proceeds going directly into owners pockets! Additionally, owners can view historical data going back more than 15 years to analyze year-over-year trends and gain valuable insights into the evolving timeshare market.

Proudly holding the title of the very first timeshare website on the internet. Veteran-founded more than 30 years ago, TUG is a family-run consumer advocacy organization dedicated to providing unbiased advice and information about all things timeshare-related where owners can go to get reliable help with their timeshare for free [24 hours a day!](#)
