

# CoinEx wins Best Cryptocurrency Exchange title at International Business Magazine

*CoinEx was announced as the winner of the title for its outstanding performance in enhancing security, user experience, and transparency within cryptocurrency*

DUBAI, UNITED ARAB EMIRATES, February 12, 2025 /EINPresswire.com/ -- [CoinEx](#), a global cryptocurrency exchange company was recently adjudged as the '[Best Cryptocurrency Exchange 2024](#)' by Dubai-based business news portal, International Business Magazine. The award was announced by the elite jury members on the basis of several criteria that reviewed the performance of CoinEx for 2024.

Founded in 2017, CoinEx is committed towards easier access to crypto trading to everyone in the world. It supports over 18 languages from around 200 countries and regions, catering to over 2000 communities. Its core team comprise of members from global leading internet and financial enterprises, which includes earliest investors in the cryptocurrency industry. Using blockchain, the [CoinEx ecosystem](#) is at the forefront for the adoption of some of the most advanced technology that shapes the Web3 landscape.

The jury carefully examined multiple factors of the nominees. The winner was selected based on the innovative technology adopted by the platform, ensuring high efficiency and stability. Additionally, special consideration was given to the platform's strict adherence to regulatory compliance, especially anti-money laundering measures. CoinEx's high trading volume and liquidity in cryptocurrencies were key factors in the jury's decision to favor CoinEx. The jury also expressed satisfaction with the overall user experience design of the platform and the competitive fees for transactions, deposits, and withdrawals. Special attention was given to

Established in 2017, CoinEx is a global crypto exchange operating under its user-first approach by providing expert-driven features and services for 10+ million users.

CoinEx's effective customer support and transparency. Furthermore, the jury highly praised CoinEx's professional products and services, with the platform offering expert-driven support that helps users make informed decisions in the complex crypto market.

Its native token, CoinEx Token (CET), serves as a crucial value exchange medium within the CoinEx ecosystem. The total CET issued is 10 billion and according to its value agreement, CoinEx allocates 20 percent of the daily trading fee income to repurchase CET, and these CET will be burnt at the end of each calendar month. The repurchase and burning process continues until CET is reduced to zero. Since its launch, CET has been issued and circulated via various channels,

including airdrops, global market promotions, team incentives, trading fee rebates and many others. CoinEx has set up the entire mechanism of CET in such a way that the continuous repurchase and burning will gradually decrease the supply of CET, adding to the long-term value of the tokens.

“

We commit our time and effort to improve CoinEx's ecosystem and continue enhancing product features, monitoring any security or regulatory concerns and exploring trade and investment opportunities.”

*Haipo Yang, Founder and CEO of CoinEx*

CoinEx has been aggressively investing into new innovations such as one-click cryptocurrency swap module, P2P platform, CoinEx staking dashboard, CoinEx Mining pool, PreToken Trading for early-stage altcoins and Futures Copy Trading toolkit.

Since its launch, CET has been issued and circulated via various channels, including airdrops, global market promotions, team incentives, trading fee rebates and many others. CoinEx has set up the entire mechanism of CET in such a way that the continuous repurchase and burning

will gradually decrease the supply of CET, adding to the long-term value of the tokens.

Shankar Shivaprasad, CEO and Editor of International Business Magazine, said, “International Business Magazine is impressed by the advancements made by CoinEx, which have positioned it

CoinEx CEO Haipo Yang is a pioneer in blockchain and cryptocurrency, dedicated to advancing the industry. As a founder of ViaBTC, his technical expertise has shaped CoinEx into a global leader in crypto exchanges, driving innovation and growth.

as the most innovative cryptocurrency platform in the world today. The platform's commitment to providing professional products and services, along with its expert-driven approach, has earned the trust of users across various experience levels. CoinEx's continuous efforts in empowering users through education and professional support further solidify its standing as a leader in the industry. These factors were critical in CoinEx being selected as the winner of this prestigious award."

CoinEx founder and CEO, renowned Web3 visionary Haipo Yang, expressed his gratitude after the award was announced: "We have always aimed to become the 'infrastructure of the blockchain' world, and we are steadily moving towards this goal. Through a strong core process, CoinEx has navigated many market opportunities and challenges, earning the trust of new customers globally. With the empowerment of our platform token CET and the widespread adoption of CoinEx Wallet, we continue on our growth trajectory. Our commitment to our users remains our top priority, and CoinEx is investing in several new innovations to meet the needs of a broad range of cryptocurrency enthusiasts."

## About CoinEx

Established in 2017, CoinEx is a global crypto exchange operating under its user-first approach by providing expert-driven features and services for 10+ million users. CoinEx offers a range of services, including spot and margin trading, futures, swaps, and automated market maker (AMM), across 200+ countries and regions.
