

# QikQik+: Brings Innovative Solutions to Global Payments

TORONTO, TORONTO, CANADA, January 16, 2025 /EINPresswire.com/ -- SUREBANQA, a pioneering fintech company, proudly announces the evolution of QikQik+, a cutting-edge omnichannel financial platform. This breakthrough development sets a new standard for secure, efficient, and inclusive payment solutions worldwide.

## Empowering Financial Inclusion

QikQik+ is designed to bridge the financial gap in underserved communities, promoting economic growth and social equality. By providing access to advanced payment tools, QikQik+ empowers individuals, merchants, and businesses to thrive in the global economy.

## Innovative Features and Updates

The latest version of QikQik+ boasts an array of innovative features, including:

- WooQikQik+ plugin: Seamless WooCommerce integration for effortless online transactions
- Virtual card options: Enhanced security and convenience for users
- SoftPOS: Simplified payment processing for merchants
- Automated payments: Streamlined operations and reduced administrative burdens
- API key management: Secure and efficient integration with third-party services.
- Advanced admin tools: Enhanced management and analytics capabilities.
- Optimized payment links: Faster and more secure transaction processing.
- Stablecoin support: Expanded payment options for users.
- Multi-language support: Global reach and accessibility.

## Strategic [Partnership with Stripe](#)

SUREBANQA is thrilled to announce its partnership with Stripe, a leading online payment processing system. This collaboration enables QikQik+ to offer secure, localized payment

experiences, further solidifying its position as a pioneer in the fintech industry.

## Crowdfunding Initiative

To accelerate the development and deployment of QikQik+, SUREBANQA has launched a crowdfunding campaign. This initiative invites visionaries and supporters to join the movement toward a more inclusive and efficient global payment ecosystem.

This equity crowdfunding confirms SUREBANQA's commitment not only to financial inclusion for all but also to economic inclusion with the creation of opportunities and the equitable sharing of the wealth created by making the users co-owners of the platform.
