LONG ISLAND CITY, NY, UNITED STATES, January 17, 2025 /EINPresswire.com/ -- [All Aces Promotional Staffing](#), a

member of the Inc. 5000 and a leading

provider of event staffing solutions nationwide, is excited to unveil its new [Payrolling Assistance Services](#), aimed at reducing administrative burdens for businesses and professionals in the events and experiential marketing industries.

“

If companies recruit temporary talent directly, the administrative challenges and liability remain. We now offer a solution that saves time and money and ensures peace of mind.”

Lauren Raimondi, Owner and CEO

This service is designed to simplify payroll management, ensuring that employees and contractors are paid accurately and on time, while also helping businesses maintain compliance with payroll regulations. The involvement of All Aces also shifts the liability of worker’s comp and business liability away from companies. And by leveraging All Aces’ expertise in the unique needs of the event staffing sector, companies can now focus more on delivering exceptional events and less on the complexities of payroll when providing their own temporary staff.

“As companies aim to save money by recruiting talent directly, the administrative challenges and liability in managing payroll, onboarding, and insurance while juggling the fast-paced demands of event planning and staffing remain,” said Lauren Raimondi, Owner and CEO at All Aces Promotional Staffing. “We listened, and we’re thrilled to offer a solution that not only saves time and money but also ensures peace of mind with every paycheck.”

Key benefits of the Payroll Assistance Services include:
