LOS ANGELES, CA, UNITED STATES, January 16, 2025 /EINPresswire.com/ -- Restoration Life Church has mobilized an extraordinary effort to support the heroes on the frontlines of the Los Angeles fires and those impacted by the devastation. With over 200 volunteers working tirelessly, the church has become a vital hub for relief and recovery in the community.

Restoration Life Church, led by Eddie Vargas, Supports First Responders and Fire-Affected Communities Amid Los Angeles Fires

Every day, 25 truckloads of essential items are distributed to fire stations, police departments, water and power engineers, pet shelters, and shelters for displaced residents. These donations include Gatorade, energy snacks, vaseline, chapsticks, and other critical supplies needed by first responders and those affected by the fires.

Restoration Life Church has mobilized over 200 volunteers to support the following:

- 2,000 firefighters
- 500 police officers
- 200 EMTs
- 100 linemen
- 100 dispatch employees

Working in collaboration with the LA County Special Fire Engineer, who has been on the frontlines throughout the crisis, Restoration Life Church ensures that every donation reaches the people who need it most.

In addition to serving first responders, the church has opened its campus to those displaced by the fires, offering shelter and resources to help them rebuild their lives. "We are humbled to stand alongside our first responders and neighbors during this time of need," said Pastor Eddie Vargas. "This is a community effort, and we are committed to being a source of hope and tangible help."
