

# Healing LA: Dr. Anna Chacon Offers Free TeleCare for Wildfire-Affected Communities

*Compassion in Action: Join the Mission to Heal and Rebuild Lives with the Code CARE4LA*

LOS ANGELES , CA, UNITED STATES, January 16, 2025 /EINPresswire.com/ -- In the aftermath of the devastating wildfires that have swept through Los Angeles, leaving communities displaced and first responders stretched thin, [Dr. Anna Chacon](#), a trailblazer in teledermatology and founder of Miami Derm, is stepping forward to provide healing where it's needed most. Dr. Chacon is offering free telehealth consultations to individuals affected by the fires, including evacuees and first responders.

To schedule a complimentary visit, patients can use the code CARE4LA when booking through [DrAnnaChacon.com](#). The initiative invites everyone to participate—whether by sharing this resource, offering a hand, or donating to relief efforts.

## A Call to Heal Together

The Los Angeles wildfires have left an indelible mark on the region, displacing families, destroying homes, and testing the resilience of communities. In the face of such loss, Dr. Chacon emphasizes the power of collective compassion.

“Tragedies like these remind us that healing is not just about physical recovery but also about uniting as a community to rebuild lives and restore hope,” said Dr. Chacon. “By providing free telehealth visits, I hope to ease some of the burdens for those directly affected and for the first responders working tirelessly to protect others. Together, we can make a difference.”

#### How to Access Free Telehealth Services

Dr. Chacon’s offer is available to:

- Residents impacted by the fires
- Evacuees displaced from their homes
- First responders and volunteers

To book a free consultation:

- Visit [DrAnnaChacon.com](http://DrAnnaChacon.com) OR click [HERE](#) to schedule direct.
- Use the code CARE4LA when scheduling your appointment.

Dr. Chacon’s teledermatology services are accessible across all 50 states, the District of Columbia, Guam, and the U.S. Virgin Islands, ensuring care for all in need.

#### Beyond Skincare: Addressing the Human Toll

As a leading dermatologist and advocate for accessible healthcare, Dr. Chacon has seen the profound impact of disasters on physical and emotional well-being. Skin-related issues, such as burns, irritations, and stress-induced conditions, are often overlooked in emergencies but can have lasting effects. This initiative is part of her broader mission to deliver healthcare with compassion and accessibility at its core.

“Everyone deserves care—whether it’s medical, emotional, or logistical. No contribution is too small. If each of us gives what we can, whether it’s expertise, resources, or time, the ripple effect will create waves of healing,” Dr. Chacon added.

#### A Call to Action: Join the Mission

Dr. Chacon’s efforts highlight the importance of community-driven recovery. Beyond accessing the free telehealth services, she encourages others to join the mission to help:

- Share Resources: Spread the word about available relief services.
- Support First Responders: Donate to local organizations aiding firefighters and rescue teams.
- Rebuild Together: Volunteer or contribute to rebuilding efforts for displaced families.
