BRIDGEWATER, NJ, UNITED STATES, January 16, 2025 /EINPresswire.com/ --

[CONTROLTEK](#), a global leader in tamper-evident packaging, retail asset protection, and RFID solutions, is proud to announce the appointment of [Brad Moody, CFE, CFI](#) as Executive Vice President of Security Packaging. With over 25 years of executive experience in financial services risk management and a distinguished career leading innovative security and compliance initiatives, Brad brings unparalleled expertise to the CONTROLTEK team.

Brad Moody Joins CONTROLTEK as Executive Vice President of Security Packaging

“

Brad's proven leadership and deep expertise in security packaging and compliance make him the perfect addition to our executive team”

*Tom Meehan, CFI CEO,
CONTROLTEK*

An internationally recognized thought leader in security compliance, Brad has earned a reputation for his strategic vision in mitigating risks across diverse industries, including financial services, healthcare security and cryptocurrency. His experience includes pioneering cyber risk assessments, building advanced security management programs and leading critical investigations into theft and security vulnerabilities for Fortune 500 companies.

"Brad's proven leadership and deep expertise in security packaging and compliance make him the perfect addition

to our executive team," said [Tom Meehan](#), CEO of CONTROLTEK. "His insight and innovative approach will play a pivotal role as we continue to expand our global footprint and deliver cutting-edge solutions to our customers."

"CONTROLTEK's mission to deliver trusted and innovative security solutions aligns perfectly with

my passion for advancing the industry's best practices," said Brad Moody. "I'm excited to join such a dynamic team and look forward to contributing to the company's ongoing success."

Rod Diplock, Founder and Advisor of CONTROLTEK, shared his enthusiasm for Brad's appointment: "Brad brings a level of expertise and leadership that will elevate CONTROLTEK's capabilities to new heights. His track record of excellence and forward-thinking approach perfectly complement our company's vision and values."

As Executive Vice President of Security Packaging, Brad will oversee the development and implementation of CONTROLTEK's tamper-evident security packaging division, ensuring CONTROLTEK meets the evolving needs of industries worldwide.
