LOS ANGELES, CA, UNITED STATES, January 17, 2025

/EINPresswire.com/ -- [Akopyan Law Firm, A.P.C.](#), a prominent employment law practice, offers legal services to combat workplace [age discrimination](#) across Los Angeles, Kern, Orange, Riverside, San Bernardino, and Ventura Counties. The firm's initiative addresses the growing concern of age discrimination, with a [study](#) showing that 21% of workers in the US have experienced age-based discrimination in the workplace.

"Age discrimination remains a persistent challenge in California" states Mr. Michael Akopyan, spokesperson for Akopyan Law Firm, A.P.C. "We're committed to protecting workers aged 40 and above who face unfair treatment of every kind up to and including wrongful termination."

The California Fair Employment and Housing Act (FEHA) prohibits employers with five or more employees from discriminating against workers and job applicants aged 40 and older based on their age. This includes discriminatory actions, such as:

- Refusal to hire
- Termination
- Denial of promotions
- Unequal pay or benefits
- Creation of a hostile work environment

"Age discrimination undermines the value and dignity of seasoned employees, and our firm is dedicated to holding employers accountable for such behavior," said Akopyan.

The firm's experienced attorneys, Michael Akopyan and Ani Akopyan, offer tailored legal services to victims of age discrimination, including:

- Filing claims under state and federal anti-discrimination laws.
- Negotiating with employers for fair resolutions.
- Pursuing litigation and trial when necessary to secure justice.

The firm's strategically located offices across Southern California make legal representation more accessible to victims of age discrimination. The main office in Encino serves as the headquarters, with additional locations in Orange, Riverside, San Bernardino, Bakersfield, and Ventura.
