

AUGTO Launches Official E-Commerce Website for Industrial Automation and Controls

AUGTO.com, a user-friendly e-commerce platform providing seamless access to high-quality industrial automation solutions from trusted global brands.

SHENZHEN, FUTIAN DISTRICT, CHINA, January 20, 2025 /EINPresswire.com/ -- [AUGTO](#), a trusted distributor of [industrial automation](#), control, and electromechanical products, is excited to announce the launch of its official e-commerce website, [augto.com](#). The newly designed platform offers a seamless shopping experience, connecting businesses to a vast selection of high-quality industrial solutions from trusted global manufacturers.

Augto Industrial Automation and Controls

AUGTO.com provides customers with direct access to essential automation components, including sensors, controllers, robotics, motors, and power supplies. Whether for manufacturing, robotics, medical equipment, or other critical industries, AUGTO's website simplifies procurement by offering reliable products and exceptional service.

Key Features of AUGTO.com Include:

1. **Wide Product Range:** Access over 650,000 in-stock products from more than 2,000 leading brands in the industrial automation sector, offering a diverse selection of components designed to meet various operational needs.
2. **Trusted Brands:** Featuring top manufacturers like Schneider, Phoenix Contact, SICK, WAGO, Festo, Siemens, OMRON, ABB, Rockwell, and many others, ensuring customers have access to reliable and high-performance solutions.
3. **Easy Navigation & Product Search:** Find the right components quickly with detailed product filters and search tools.
4. **Global Reach:** Serving industries worldwide with competitive pricing and timely delivery, ensuring products reach customers efficiently.
5. **Efficient Purchasing:** Streamlined online ordering system, quick shipping, and continuous post-

purchase support to ensure a smooth experience.

6. Expert Service: Providing in-depth product information, technical support, and guidance in selecting the right solutions for industrial applications.

“We are thrilled to introduce AUGTO.com as an innovative platform for industries in need of trusted automation and control solutions,” said Hong, CEO of AUGTO. “Our platform offers an intuitive interface for customers to explore our wide range of products, view detailed specifications, and make informed purchases quickly.”

The website is designed to help businesses improve operational efficiency, reduce costs, and enhance productivity. AUGTO remains committed to providing cutting-edge automation solutions, reliable service, and competitive pricing to industries around the globe.
