Project Velocity Inc. (PVI) is proud to be Certified by Great Place To Work® for the first year, less than 3 years after opening its doors as a boutique strategy and execution agency supporting the pharmaceutical and biotech industry. The prestigious award is based entirely on what current employees say about their experience working at PVI. This year, 100% of employees said it's a great place to work—35 points higher than the threshold to earn the Certification.

“

The strength of the team we've built over the last two and a half years is astounding. Knowing they all agree PVI is a great place to work validates what we're building together.”

Jennifer Johnson

Great Place To Work is the global authority on workplace culture, employee experience, and the leadership behaviors proven to deliver market-leading revenue, employee retention and increased innovation.

Certification is the sole official recognition earned by the real-time feedback of employees regarding their company culture. By successfully earning this recognition, PVI stands out as a top company to work for, providing a great workplace environment for its employees.

“Getting certified as a Great Place To Work is deeply meaningful to the future of PVI, and to me, personally,” said PVI Founder and CEO, Jennifer Johnson. “The strength of the team we've built over the last two and a half years is astounding. Knowing they all agree PVI is a great place to work validates what we're building together.”

According to Great Place To Work research, job seekers are 4.5 times more likely to find a great boss at a Certified great workplace. Additionally, employees at Certified workplaces are 93% more likely to look forward to coming to work, and are twice as likely to be paid fairly, earn a fair share of the company's profits and have a fair chance at promotion.
