## ABOUT PATCHMASTER

PatchMaster is a sought-after franchise known for its quick ramp-up period, making it accessible to aspiring business owners without prior drywall experience. The franchise offers comprehensive training, tools, and resources to equip owners with the knowledge and skills needed to run a successful business. Franchisees receive dedicated support for various aspects, including marketing, job pricing, hiring, managing technicians, and financial management.

The initial franchise fee for a PatchMaster franchise territory, which comprises a population between 300,000 to 350,000, is \$49,500 USD. Royalties start at nine percent, and a technology fee is included in ongoing expenses. In addition to strong margins, the ability to scale, and proven business development tools, franchisees complete training at the company's New Jersey

headquarters, where industry experts teach them technical and operational skills to assist in their success.

Headquartered in Chester, New Jersey, PatchMaster is a home services franchise brand offering customers a fast and professional solution for drywall repairs. The company provides high-quality drywall services for small holes, dings, and dents, typically finishing jobs in one visit. Launched in 2016 and offering franchises since September 2017, PatchMaster has sold over 150 territories to more than 75 franchisees across the United States and Canada. PatchMaster is positioned to revolutionize the home services industry as a pioneering drywall franchise.
