*'In Love with Loving You' Shares a Deeply Personal Love Letter Montgomery never intended to release.*

LAKE WORTH, FL, UNITED STATES, January 19, 2025 /EINPresswire.com/ -- [Ryan Montgomery](#), a rising country music star who began his career performing on the back of his truck tailgate in Florida and now sells out shows across the country, has just surprised fans with his new single, '[In Love with Loving You](#),' now available on all streaming platforms.

“

I wrote this song as a love letter to my girlfriend, never planning to release it. Now that it's out, the most special part is seeing everyone connecting with it and making it a part of their stories.”

Originally written as a private love letter, the heartfelt ballad was never intended for public release. After careful consideration, Montgomery chose to share this deeply meaningful track, which reflects themes of healing and inspiration through love.

The song's official cover art and music video, filmed on the picturesque beaches of Malibu, California, mirror the raw emotion and serene beauty of the lyrics. Featuring a 6/8 waltz rhythm and soulful arrangement, "In Love with Loving You" evokes the heartfelt intimacy of tracks like Jason Aldean's "You Make It Easy" and Ed Sheeran's "Thinking Out Loud."
