

# Asana Guide Line Apparel by Florencia Fiocca Wins Iron A' Design Award in Sporting Goods, Recreation Equipment Design

*Innovative Yoga Apparel Collection  
Featuring Internal Grip Strings  
Recognized for Excellence in Sporting  
Goods Design*

COMO, CO, ITALY, January 19, 2025 /EINPresswire.com/ -- The A' Design Award, a highly respected and well-recognized award in the field of [sporting goods](#) design, has announced Asana Guide Line Apparel by [Florencia Fiocca](#) as a winner of the Iron A' Design Award in the Sporting Goods, Fitness and Recreation Equipment Design category. This prestigious recognition highlights the significance of the Asana Guide Line Apparel within the sporting goods industry and design community, positioning it as a notable example of innovative design.

Asana Guide Line Apparel

The Asana Guide Line Apparel collection addresses the needs of yoga practitioners by incorporating unique features that facilitate proper grip and alignment during various yoga postures. By integrating these functional elements into the apparel design, Florencia Fiocca demonstrates a keen understanding of the requirements and challenges faced by yoga enthusiasts, offering a solution that enhances the overall yoga experience.

The collection showcases a range of garments, including a sweatshirt, pants, harem pants, and a top, each thoughtfully designed with internal grip strings that act as an axis during yoga postures. These strategic placements provide added safety and support, enabling practitioners to transition seamlessly into mindful breathing while maintaining proper form. The tank top facilitates stretching asanas for the triceps and shoulders, while the sweatshirt features an adjustable guide to aid in opening the front and back of the chest during warrior postures like

Trikonasana.

The recognition bestowed upon Asana Guide Line Apparel by the A' Design Award serves as a testament to Florencia Fiocca's commitment to pushing the boundaries of sporting goods design. This accolade is expected to inspire future innovations within the brand, as well as encourage the exploration of new avenues for enhancing the functionality and comfort of yoga apparel. The A' Design Award serves as a motivating force for Florencia Fiocca and her team to continue their pursuit of excellence and creativity in the realm of sporting goods design.

Asana Guide Line Apparel was designed by Florencia Fiocca, who is the founder of FFOCCO and the creative force behind the innovative collection.

#### About Florencia Fiocca

Florencia Fiocca is the founder of FFOCCO, an ethical clothing brand based in Argentina that focuses on introspective activities. With a multidimensional vision, Fiocca seeks innovation, harmony of forms, and continuous improvement in her designs. FFOCCO garments are produced on a small scale, emphasizing sustainability, optimizing materials, and aiming for zero waste. The brand divides into two major universes: upper garments made of natural fibers and lower garments made of technological fabrics. Fiocca's designs emphasize movement, body temperatures, and visual order, using garments as guides for conscious exercise.

#### About A' Design Award

The Iron A' Design Award is a prestigious recognition granted to designs that meet rigorous professional and industrial standards set by the A' Design Awards. Recipients of this award are acknowledged for their practical innovations and contributions to their respective fields, providing solutions that improve quality of life and foster positive change. The Iron A' Design Award designation is bestowed upon designs that demonstrate great skill, high specialization, expert understanding, and creative capacity of their creators. These designs are expected to be highly regarded, admired, and cherished creations that are both practical and innovative, integrating industry best practices and contributing to the advancement of their respective fields.
