ABOUT I AM LA'RON MUSIC

La'Ron Carroll was born in Columbus, OH, and experienced a childhood marked by poverty. After enduring sexual molestation and narrowly escaping death in a drive-by shooting at the age of seven, his life was further challenged by his parents' struggles with drug and alcohol abuse. He often came home from school to find an empty refrigerator and witness domestic violence. After being evicted, the family spent an entire winter in a hotel, where La'Ron would sleep in the bathtub with just a pillow and blanket. Ultimately, he was left behind and entered the foster care system, yet he remained resolute in his pursuit of success, largely due to a devoted foster parent who had faith in his potential. Although he felt damaged and broken, his relentless ambition to achieve his dreams drove him to conquer countless obstacles.
