

Spex.by Provides Direct EOR Services for Belarus High Tech Park Companies

Spex.by Expands Employment Solutions for Technology Companies and High Tech Park Residents in Belarus with Direct EOR and PEO Services.

MINSK, MINSK, BELARUS, January 22, 2025 /EINPresswire.com/ -- Spex.by, the direct Employer of Record (EOR) and Professional Employer Organization (PEO) service provider in Belarus, announces its comprehensive suite of employment solutions specifically tailored for technology companies and High Tech Park (HTP) residents.

With lots of HTP residents already utilizing Spex.by's services, the company has established itself as a trusted partner in Belarus's growing technology sector. Spex.by offers end-to-end employment solutions, including complete HR administration, accounting services, and specialized recruitment support.

The company's extensive recruitment capabilities include access to a database of candidates, with numerous dedicated recruiters ready to meet staffing needs across various technical roles and experience levels. This substantial talent pool enables clients to quickly scale their teams while maintaining compliance with local employment regulations.

Spex.by's comprehensive service offering includes:

- Direct EOR and PEO services for international companies;
- Full-cycle accounting and [HR support](#);
- Specialized recruitment for technical positions;
- High Tech Park entry assistance;
- Bank account opening services;
- Virtual office solutions.

The company's unique experience with HTP residents has resulted in deep expertise in

technology sector requirements and regulations.

About Spex.by: Spex.by is Belarus's premier direct provider of EOR and PEO services, specializing in supporting technology companies and High Tech Park residents. The company offers comprehensive employment solutions, including recruitment, HR administration, and accounting services, enabling businesses to operate efficiently in the Belarusian market.
