

Mondia debuts its first Cloud Gaming service, 'Games Unlimited Plus,' on the A1 platform in Austria

HAMBURG, GERMANY, January 27, 2025 /EINPresswire.com/ -- Mondia, a global leader in digital experiences, is excited to announce the launch of its first cloud gaming service, "Games Unlimited Plus," in partnership with A1 Telekom Austria. Available in Austria, this new service brings an extensive catalog of over 2,400 games, including top Android titles, to users' mobile devices and PCs without the need for downloads. The launch represents a significant step forward for Mondia as it expands its digital content portfolio with cloud gaming, delivering more engaging and accessible gaming options to audiences in Austria.

Powered by now.gg, the Games Unlimited Plus service leverages cutting-edge technology to enable seamless gaming experiences across devices, even on low-powered phones and PCs. With a constantly growing catalog that includes exclusive and premium games, Mondia's cloud gaming platform offers a unique combination of convenience, variety, and high-quality content. Users can enjoy ad-free gaming with no in-app purchases, making Games Unlimited Plus a truly immersive experience.

“
