

# Announcing 2025 Wall Street Green Summit in March in New York

*2025 Wall Street Green Summit will be held in New York on Tuesday March 18 and Wednesday March 19, 2024 at the Cornell Club.*

NEW YORK CITY, NY, UNITED STATES, January 21, 2025 /EINPresswire.com/ -- The 24th Annual Wall Street Green Summit is an in-person event held at the Cornell Club in New York on March 18 and 19, 2025. The focus of this leading edge annual event is on applying climatetech efforts to reduce Greenhouse gas emissions in multiple industries as well as focus on the migration of finance to scale and commercialize better and cleaner technologies.

Wall Street Green Summit 2025

40 technology and finance experts will share their knowledge over 2 days of the event which has major corporate support to accelerate technologies to reduce Greenhouse gases.

Our event has always been focused on the nexus of technology and finance. The 2025 edition of the Summit promises to offer more AI solutions to climate change impacts than ever before.”

*Peter C. Fusaro, Chairman,  
Global Change Associates*

Topics include [ClimateTech Investing](#), Carbon Offsets, Nature-Based Solutions to climate, Clean Energy technologies, Impact Funds, Hydrogen and Clean Electrification of the grid. XMC Strategies, Zefiro Methane and Gradient Geothermal are hosting the cocktail party and many players in the clean energy transition will be participating both as speakers and attendees.

The Energy Transition is now accelerating with more capital

deployed to reduce GHGs and create well paying jobs in this emerging New Energy Economy. Learn how to participate and invest in this emerging sector sized as a \$215 trillion market opportunity over the next 325 years.

“Our event has always been focused on the nexus of technology and finance. The 2025 edition of

the Summit promises to offer more solutions to climate change impacts than ever before," said Peter C. Fusaro, Chairman, Global Change Associates.

Come to New York City on March 18 and 19, 2025 to learn more about how you can participate and invest in this new alternative asset class.
