About Advancing Native Missions:

ANM is a global missions organization delivering the Gospel to those who still need to hear the Good News of Jesus. We're a little different from the traditional missions organizations you may be familiar with. Instead of sending missionaries to other countries where they have to learn a new language, get used to new ways of living, and make other big adjustments, we support missionaries sharing the Gospel in their own countries. These native missionaries are making a big impact for the kingdom, and you can help. <http://www.advancingnativemissions.com>
