

AIS Solutions Celebrates 25 Years of Excellence in Virtual Bookkeeping

AIS Solutions, an award-winning Canadian firm, proudly marks 25 years of helping entrepreneurs grow, make smart decisions, and achieve financial freedom.

BURLINGTON, CANADA, January 21, 2025 /EINPresswire.com/ -- AIS Solutions, a multi-award-winning Canadian virtual bookkeeping firm, proudly announces its 25th anniversary, marking a quarter-century of helping entrepreneurs make smarter decisions, grow their businesses, and achieve financial freedom.

Since its founding in 2000, AIS Solutions has grown from a small team to a powerhouse of over 20 full-time bookkeeping and accounting experts. Specializing in cloud-based financial solutions, the fully remote team continues to set industry benchmarks while empowering Canadian businesses with real-time financial insights.

A Legacy of Innovation and Impact

As certified QuickBooks Pros, AIS Solutions has consistently delivered cutting-edge bookkeeping solutions tailored to meet the evolving needs of small and medium-sized businesses. Beyond bookkeeping, AIS Solutions has built a reputation for community involvement and giving back – values that resonate deeply with its clients and team.

“We’re proud to have reached this incredible milestone,” said Juliet Aurora, Founder of AIS Solutions. “Over the past 25 years, our focus has always been on empowering entrepreneurs with the tools and insights they need to succeed. We’re grateful for the trust our clients have placed in us and the recognition we’ve received along the way.”

Award-Winning Excellence

AIS Solutions has achieved numerous accolades over its 25-year journey, including:

- CEO of the Year (2023) at the North American Biz X Awards.
- Intuit’s Global Firm of the Future (2017) – the first Canadian firm to win this prestigious title, selected from over 1,000 firms worldwide.
- Canadian Bookkeeping Firm of the Year (2015) by the IPBC.

These achievements underscore the firm’s commitment to excellence, innovation, and service.

Looking Ahead

With its mission to help entrepreneurs gain time, money, and freedom through real-time financial information, AIS Solutions continues to lead the way for [virtual bookkeeper](#) services. The company's unique combination of expertise, cloud technology, and dedicated proprietary Kninja training, positions it as a trusted partner for business growth.

"We're not just celebrating our history," said Juliet. "We're looking to the future, continuing to innovate and deliver the very best for our clients, team, and community."
