Queens Behind the Scenes Expands Resources for Women's Personal and Professional Growth

Queens Behind the Scenes, a platform focused on empowering women in their personal and professional lives, announces the continued growth of its podcast and coaching programs. The brand's offerings aim to provide actionable resources and guidance for women seeking to achieve their goals and enhance their overall well-being.

Podcast Highlights Diverse Perspectives and Practical Advice:

The Queens Behind the Scenes podcast features discussions with professionals and leaders from various industries. Episodes cover topics ranging from personal growth to navigating corporate environments. Recent episodes include the series Queen, Love Yourself First, featuring an Emmy Award-winning journalist, and a collaboration with Career Transformation Academy addressing the impact of corporate structures on Black professionals.

Coaching Program Supports Individual Success In addition to the podcast, Queens Behind the Scenes offers a personal success coaching program, Crown Your Success. This program provides one-on-one and group coaching designed to help participants identify and achieve their goals. Tools such as goal-setting strategies and accountability measures are integral to the program's

Charise Beckett

approach, supporting clients in their pursuit of meaningful progress.

About Queens Behind the Scenes:

Queens Behind the Scenes provides tools and resources to support women in their personal and professional journeys. The platform is designed to encourage self-improvement and provide practical solutions for challenges faced by women in their careers and personal lives.
