

Beachcomber Hot Tubs Expands Accessibility in Montreal with Flexible Financing Options

MONTREAL, QUEBEC, CANADA, February 3, 2025 /EINPresswire.com/ -- Beachcomber Hot Tubs, a Canadian leader in [hot tub manufacturing](#), is introducing new financing options tailored to the Montreal market. Through a partnership with Financeit, the initiative aims to make high-quality hot tubs more attainable by offering flexible payment plans starting at \$43 bi-weekly.

Hot tubs are often considered a long-term investment in relaxation, wellness, and connection with loved ones. Beachcomber's financing program allows homeowners to access these benefits without the need for an upfront lump sum payment.

"Investing in a hot tub is about more than adding luxury to your home, it's about enhancing your lifestyle, improving your health, and creating meaningful moments with loved ones," said Keith Scott, Founder and CEO of Beachcomber Hot Tubs. "Through our partnership with Financeit, we're thrilled to provide Montrealers with an affordable way to achieve their dream of owning a premium, Canadian-made hot tub."

About Beachcomber Hot Tubs

Beachcomber Hot Tubs is a Canadian company specializing in designing and manufacturing premium hot tubs. Beachcomber has been a trusted name in the industry for over four decades with a focus on innovation, energy efficiency, and user comfort.

Flexible Financing Through Financeit

The collaboration with Financeit allows prospective buyers to complete a simple pre-qualification process online, with no impact on credit scores. Customers can then choose from a range of payment plans designed to accommodate various budgets and preferences.

Key highlights of the financing program include:

Manageable Payments: Bi-weekly payment options tailored to individual financial situations.

Immediate Use: Customers can begin enjoying their hot tub right away without waiting to save for the full purchase price.

Budget Flexibility: The ability to spread out costs over time while preserving savings for other expenses.

Hot Tub Options for Every Lifestyle

Beachcomber Hot Tubs offers a variety of models suited to different needs, from compact designs ideal for smaller spaces to larger models designed for group relaxation. Financing options are available across the product lineup, including popular models like the 750 SLB HYBRID4® and the 007 LEEP™.

Customers are encouraged to consider their budget, preferred features, and long-term maintenance costs when [choosing a hot tub model](#). Options for enhanced comfort include ergonomic seating, customizable FLEXJETS™, and energy-efficient filtration systems.

Making Hot Tub Ownership Accessible

With this financing program, Beachcomber Hot Tubs aims to simplify the process of purchasing a hot tub, ensuring accessibility for a broader audience in Montreal. Whether used to create a personal wellness retreat or enhance backyard living spaces, these financing options offer a practical path to ownership.
