For over a decade, the founders of Sylvan Learning Center – Kahala have been cornerstones of the community, providing [high-quality childhood education](#) that fosters creativity, curiosity, and a lifelong love of learning. Seeing the need for early intervention for those who are entering an educational environment for the first time as preschoolers, preparing for kindergarten and beyond, Sam Kim and Pam Lee have embarked on the reopening of a former KCA Preschool site. The renovation reflects their commitment to innovation and excellence, ensuring it remains at the forefront of preschool education.

“

Our vision is to create a space where children feel safe, inspired, and ready to learn. The renovations will provide students with the tools and environment needed to thrive in their formative years.”

Pamela Lee, Managing Director of Early Achievers Preschool Hawaii

Highlights of the Renovation Project:

- Modernized Classrooms: Bright, spacious, and equipped with advanced learning tools to inspire exploration and

engagement.

- Sustainable Features: Eco-friendly designs and materials to promote environmental awareness and sustainability.
- Enhanced Outdoor Play Areas: Redesigned spaces to support physical activity, sensory development, and social interaction.
- Expanded Programs: New facilities to accommodate specialized programs, including STEM, arts, and language enrichment.

“Our vision is to create a space where children feel safe, inspired, and ready to learn,” Pamela Lee, Managing Director of Early Achievers Preschool Hawaii. “These renovations will provide our students with the tools and environment they need to thrive in their formative years.”

Early Achievers Preschool embraces a mission of nurturing young minds through a curriculum grounded in creativity, collaboration, and discovery. With the improved facilities, the preschool aims to set a new benchmark for early childhood education in Honolulu.

About Early Achievers Preschool Hawaii

Early Achievers Preschool Hawaii provides a safe, healthy, and enriched environment in which children ages two through five are exposed to rich language, pre-literacy, and problem-solving skills with a balance of critical emotional and social skills. The preschool focuses on a positive first school experience to engage and challenge students while preparing them for the next steps in their education and well-being. The founders and the staff understand the importance of establishing independent work habits and developing social skills early on. The program is designed to provide a firm grounding in these areas, as well as providing opportunities for cognitive, emotional, and physical growth.

Children at Early Achievers engage in practical and meaningful learning experiences which introduce the foundational concepts of early learning. Early Achievers is a well-balanced program that encourages child-led inquiries and imagination that are also fun. Students are given enough structure to learn and enough freedom to explore. Children will develop self-esteem as they participate in a setting that encourages and respects their independence and capabilities. Early Achievers believes that these are the foundations for the personal success and academic achievement of our students for years to come.
