CELINA, TX, UNITED STATES, January 24, 2025 /EINPresswire.com/ -- Mangiamao Market Deli & Pizzeria is delighted to announce its official opening on Friday,

January 24th, 2025, bringing a "slice of Italy" to the Celina community. Located at 203 W. Pecan St., this family-owned establishment is spearheaded by Jason Algieri, who will oversee the daily operations and serve as the driving force behind Mangiamao's vision. Jason, alongside his father Robert Algieri, has worked tirelessly to create a warm and welcoming space featuring

handcrafted Italian cuisine, fresh deli selections, and a curated marketplace. A grand opening celebration is slated for late February or early March.

“

After months of hard work, I'm thrilled to share our family's Italian heritage and create a place where the community can gather and make lasting memories.”

“The journey to opening Mangiamao has been one of passion, perseverance, and community spirit,” said Jason Algieri. “After months of hard work transforming this space and perfecting our menu, I'm thrilled to welcome our neighbors to Mangiamao. It hasn't been easy, but I'm excited to share a piece of my family's Italian heritage with the

Celina community.”

Robert Algieri reflected on their shared vision:

“Martin Luther King Jr. famously said, 'I have a dream.' Jason and I had a dream 2.5 years ago to create a place where we could share our family's traditions with the people of Celina and Collin County. I'm so proud of Jason for leading this effort and building something truly special—a space where families can gather over great food and create lasting memories.”

During the soft opening, guests can enjoy Mangiamao's signature wood-fired pizzas, fresh deli selections including imported meats and cheeses, vibrant salads, and an Italian marketplace stocked with specialty goods. Housed in a beautifully restored retro gas station, Mangiamao combines nostalgic charm with culinary excellence.

The Algieri family invites the community to experience Mangiamo during its soft opening phase and looks forward to sharing more details about their grand opening celebration later this winter. "We're just getting started," Jason added. "The best is yet to come."
