Texas Wesleyan University and HMS are united by a shared mission: to make world-class education accessible to students across the globe. HMS has established itself as a trusted partner for international education, guiding students through the process of applying to and enrolling in premier academic programs. With this partnership, both organizations aim to empower students to enhance their knowledge, boost their employability, and cultivate valuable skills that contribute to global career success.

“Texas Wesleyan University has a long-standing reputation for its commitment to providing a personalized educational experience, and we are thrilled to collaborate with HMS to extend this vision to students worldwide,” said Hector Quintanilla, Provost.

## [Applied MBA Programs](#) Designed for International Students

At the heart of this partnership is Texas Wesleyan University's innovative Applied MBA programs, uniquely designed to cater to the needs of international students. These programs, available with experiential learning opportunities, allow students to combine classroom learning with hands-on professional experience in their chosen fields.

Key highlights of the Applied MBA programs include:

- **Diverse Concentrations:** Choose from Supply Chain Management, Data Analytics, Business Administration, Digital Marketing, and Healthcare Administration.
- **Flexible Format:** Attend on-campus classes just one weekend per semester, allowing students to balance education with practical work experience.
- **Affordable Tuition:** The program costs \$5,100 per semester, making quality education accessible and budget-friendly.
- **Frequent Start Dates:** With six start dates per year, students have greater flexibility in planning their academic journey.

"Texas Wesleyan's Applied MBA programs are tailored to equip students with the skills and experience required to thrive in today's competitive global market," said Justin Howell, Managing Director of HMS. "This partnership represents a significant step in providing international students with the tools they need to succeed."
