

# CRITICAL DENTAL CONFIRM GROWING DEMAND FOR THEIR ONLINE DENTAL SUPPLIES

*Critical Dental confirmed that their dental supplies online web portal is growing strongly with dentists now relying on it for their specialist supplies.*

SYDNEY, NSW, AUSTRALIA, January 22, 2025 /EINPresswire.com/ -- [Critical Dental](#) is the ultimate source of dental

supplies for all dental practice needs and are recognised as one of the top dental supply companies Australia has to offer.

Justin O'Connell said this when interviewed by [Metro Cities Media](#), "Over the years the online sales have experienced year on year growth but post the Covid-19 period our sales have grown strongly and there is no sign of this abating. Aligning ourselves with industry's leading manufacturers has been so important to our growth in sales. It has allowed online customers to be confident of getting the best products available in Australia at the best price."

Metro Cities Media found dental supply companies in Australia obtain their inventory from not only Australia but other countries. Critical Dental is no exception. They know that there are quality dental products to be found all around the world, so they carefully source dental equipment and consumables from many different countries.

From their base in Sydney, they work with major logistics companies to deliver all new dental equipment, handpieces though to nitrile gloves quickly to all parts of Australia.
