

WebDrive Recognized as a SourceForge Winter 2025 Top Performer in Secure File Transfer

WebDrive by South River Technologies wins the SourceForge Winter 2025 Top Performer Award for secure, reliable, and user-friendly file transfer.

ANNAPOLIS, MD, UNITED STATES, January 23, 2025 /EINPresswire.com/ -- South River Technologies, a leading provider of secure file transfer and collaboration solutions, is proud to announce that its flagship product, WebDrive, has been honored with the Winter 2025 Top Performer Award by SourceForge, the world's largest software review and comparison platform. [Explore WebDrive's secure file transfer features.](#)

To earn this distinction, WebDrive received outstanding user reviews, ranking among the top 10% of the 100,000 products on SourceForge. This recognition highlights WebDrive's reliability, security, and ease of use—key features that make it a trusted solution for businesses worldwide. [See WebDrive on SourceForge.](#)

Michael Ryan, CEO of South River Technologies, expressed his gratitude: "We are honored to receive the SourceForge Winter 2025 Top Performer Award. WebDrive is designed to simplify secure file access and collaboration while maintaining the highest security standards. Being recognized by both our users and SourceForge is a testament to our commitment to innovation and customer satisfaction."
