

Verivest Selects Eleven as Its Preferred Investor Portal Solution

Verivest, a leader in fund administration and servicing for fund managers, has selected Eleven as its preferred investor portal solution.

PORTLAND, OR, UNITED STATES, January 23, 2025 /EINPresswire.com/ -- [Verivest](#), a leader in fund administration and servicing for retail fund managers, has selected [Eleven](#), a next-gen investor portal solution, as its preferred investor portal.

Verivest's new investor portal will be powered by Eleven, reflecting its commitment to advancing investor relations and fund services through technology. By blending modern innovation with deep industry expertise, Verivest aims to streamline operations, enhance transparency, build trust, and deliver exceptional service while ensuring cost efficiency. We believe our partnership with Eleven will only improve our client's ability to access reporting, manage data, and efficiently organize all interactions with investors.

Eric Slaim, Chief Executive Officer, Eleven, said: "It's been exciting to help an innovative firm lead in technology and deliver exceptional value to clients. This partnership enables Verivest and their clients to efficiently manage back-office operations with secure, real-time solutions."

Matt Burk, Chief Executive Officer, Verivest, said: "After completing several reviews of different investment management software systems, it was clear that Eleven offered what our current and future customer base will need. With this new partnership with Eleven, we are excited to bring this state-of-the-art, secure online portal to our clients in the fund administration space."
