Setting the Standard: Brainfuse Earns Platinum in the 2025 MLAs for the 10th Year

Brainfuse, a leading online tutoring and e-learning provider, is thrilled to announce that HelpNow has been honored with a Platinum Modern Library Award.

NEW YORK, NY, UNITED STATES, January 23, 2025 /EINPresswire.com/ -- [Brainfuse](#), a leading provider of online tutoring and learning services, is thrilled to announce that its flagship product, [HelpNow Virtual Learning System](#), has been honored with a Platinum Award in LibraryWorks' annual Modern Library Awards (MLAs). This prestigious recognition marks the tenth consecutive year that Brainfuse has earned Platinum distinction, underscoring its continued commitment to innovation and excellence in serving the library community.

MLA Platinum Award

The Modern Library Awards were established to recognize the industry's elite products and services through an unbiased and rigorous evaluation process. Products are reviewed by LibraryWorks' extensive network of over 90,000 librarians from public, K-12, academic, and special libraries. Only individuals with direct experience using the products or services in their facilities are eligible to serve as judges, ensuring credible and impartial scoring.

Brainfuse's HelpNow Virtual Learning System achieved an impressive overall score, with standout marks for quality, functionality, customer service, and overall satisfaction. Feedback from judges highlighted the program's versatility, value, and impact:

• "Love this for high school and college-age students."
• "This is a great tool for students of all ages and offers help in multiple subjects. It also provides multiple resources for adult learners."
• "Brainfuse is very responsive and easy to work with. Level of service is consistent, and our users love it."

Jack Rothstein, Library Services Director at Brainfuse, shared his thoughts on the honor: "Brainfuse is deeply grateful to receive Platinum recognition in the Modern Library Awards. It is especially meaningful that this distinction comes from librarians who witness firsthand how our services support learners and communities every day. We are proud to continue delivering innovative, high-quality solutions for libraries nationwide."
