

Biohackers World Conference to Take Place at the 1 Hotel West Hollywood

Biohackers World Conference, the premier event for wellness innovation to take place at Eco-Luxe 1 Hotel West Hollywood on March 29-30, 2025

LOS ANGELES, CO, UNITED STATES, January 27, 2025 /EINPresswire.com/ -- The [Biohackers World Conference](#) will take place on March 29-30, 2025, in Los Angeles, bringing together a global community of scientists, wellness experts, entrepreneurs, and biohacking enthusiasts. Designed for both seasoned experts and those just beginning their journey in biohacking, the conference will explore emerging trends and advancements in health optimization, brain enhancement, nutrition, and technology-driven wellness solutions.

This year's conference will be hosted at [1 Hotel West Hollywood](#), a venue recognized for its sustainability initiatives and eco-conscious design. Located on the iconic Sunset Strip, the hotel was selected to complement the conference's focus on aligning human optimization with environmental awareness.

The two-day event will feature:

- Keynote speeches by internationally recognized leaders in biohacking and wellness, like Philipp Samor von Holtzendorff-Fehling from Leela Quantum Tech, and Clayton Thomas from the Root Brands.
- Interactive workshops and panel discussions on topics such as sustainable health practices, personalized optimization strategies, and cutting-edge technology.
- Exhibitions showcasing innovations and tools driving progress in wellness and performance.

The conference serves as a platform for knowledge exchange, collaboration, and discussion on
