My Dad is A Real Superhero

Spreading Kindness, One Book at a Time

"My Dad Is a Real Superhero" is a beautifully illustrated story that follows Jaedyn, a young girl who discovers that her father is not just her hero at home but also a real-life superhero to those in their community. The book emphasizes the value of kindness and helping others, showcasing how anyone can make a positive difference in the world.

"My goal is to encourage kids to read, to be kind, and to understand that being a superhero doesn't require a cape. It requires a heart full of love and a willingness to help others," said Yuri Williams.

A Life Dedicated to Service

For Yuri, the release of this book is an extension of his life's mission. Through his nonprofit, A Future Superhero and Friends, Yuri has traveled to all 50 states six times, bringing joy, resources, and hope to thousands of individuals in need. His work includes supporting houseless individuals, veterans, the elderly, and children with disabilities or life-threatening illnesses. Often donning superhero costumes, Yuri brings smiles and inspiration to communities nationwide.

Focused on helping those who want to be helped and educating those eager to learn, Yuri has dedicated his life to uplifting others. His book is a natural progression of his efforts, encouraging children to adopt the values of empathy and service from a young age.

A Mission to Inspire Future Superheroes

Yuri's nationwide book tour aims to bring "My Dad Is a Real Superhero" to every elementary school in the United States. Through engaging readings and discussions, Yuri hopes to inspire children to read more, be kind to others, and see the impact they can have in their own communities.

"I want to plant the seeds of kindness and education in every child I meet. My hope is that they'll grow into compassionate and empowered adults who make the world a better place," Yuri said.
