

Gosships Launches Updated Learning Platform Featuring SwiftAction Training and a Comprehensive Book Series

Empowering Global Learners with Affordable, Practical Education and Certificates of Completion

MIAMI, FL, UNITED STATES, January 24, 2025 /EINPresswire.com/ -- Gosships LLC, the Miami-based leader in maritime and energy education, has unveiled its newly updated learning platform, designed to address the dynamic needs of the maritime, offshore, and energy sectors. With a user-friendly interface, expanded offerings, and expert-designed resources, the Gosships platform is a one-stop destination for professionals and students aiming to advance their careers.

The updated platform also introduces SwiftAction Training, a strategic compliance solution that tackles urgent industry challenges such as audit non-conformities and post-detention corrective actions. Additionally, Gosships now boasts a comprehensive book series, offering foundational and intermediate learners expert insights into critical topics like sustainability, hydrogen technologies, and decarbonization.

Led by Thomas Blenk, Chief Training Officer at Gosships and CEO of SolarisTech, the platform exemplifies Gosships' commitment to innovation, accessibility, and excellence in education.

Why Gosships and SwiftAction Are Essential Now?

As industries face rapid technological changes, evolving regulatory frameworks, and the growing push for decarbonization, the need for accessible, expert-driven education is more urgent than ever.

Gosships Learning Series: Empowering professionals with expert-developed training and insights for the maritime and offshore industries.

Gosships addresses these challenges through:

1. An Updated Platform: Designed with user experience in mind, the platform offers seamless navigation and access to courses, books, and certifications, ensuring learners can focus on building their knowledge.
2. SwiftAction Training: A groundbreaking compliance tool that bridges the gap between regulatory demands and real-world operations, enabling organizations to address urgent gaps quickly and effectively.
3. Comprehensive Book Series: Covering emerging technologies, regulatory compliance, and sustainability, Gosships books provide learners with deep insights into the industry's most pressing topics.

The Gosships Book Series:

The platform features an extensive collection of expertly authored books, designed to meet the demands of an evolving workforce. Notable titles include:

- Green Ammonia: The Next Big Thing in Shipping
- Decarbonizing Shipping: Pathways to Zero Emissions
- Hydrogen Technologies: Pioneering the Future of Energy
- Biofuels 101: Turning Waste into Energy
- Maritime Drones: Applications and Safety Considerations
- Harnessing Wind Energy at Sea: Innovations and Opportunities
- Energy Storage Systems for Grid Reliability
- Nuclear SMRs: The Future of Clean Energy in Maritime

Our vision is to revolutionize maritime and energy education"

Thomas Blenk

SolarisTech LLC: Delivering premier technical advisory services and innovative solutions for the maritime and offshore industries.

Who Can Benefit from Gosships?

The platform and its offerings are designed to cater to a diverse audience, including:

- Maritime and Offshore Professionals: Engineers, deck officers, and managers seeking compliance expertise and operational excellence.
- Students and Aspiring Entrants: Learners looking to gain foundational knowledge and certifications to boost their careers.

- Shore-Based Staff: Administrators and compliance officers ensuring vessels meet international standards.

- Government and Regulatory Authorities: Inspectors and flag state representatives looking for efficient tools and reliable training logs for verification.

Gosships and SwiftAction together provide a scalable solution to help organizations and individuals excel in today's challenging and competitive environment.

SwiftAction: Train. Comply. Lead.

At the core of Gosships' updated offerings is SwiftAction Training, a unique six-step process that ensures compliance and operational efficiency:

1. Identify Training Needs: Analyze compliance gaps through audit findings and detention reports.

2. Customize Content: Develop training modules tailored to address specific regulatory requirements.

3. Deliver Training: Flexible learning options via Gosships Learning, optimized for self-paced and on-the-spot delivery.

4. Assess Knowledge: Conduct retention tests to validate understanding.

5. Verify Effectiveness: Collect feedback and measure success through actionable insights.

6. Archive Records: Maintain detailed logs for future audits and inspections.

By addressing compliance issues head-on, SwiftAction empowers organizations to reduce risks, improve safety, and maintain a proactive safety culture.

A Platform Built for the Future

"Our vision is to revolutionize maritime and energy education," says Thomas Blenk, Chief Training Officer at Gosships and CEO of SolarisTech. "With the updated Gosships platform, SwiftAction training, and our expansive book series, we're not just providing education—we're creating solutions that drive progress, compliance, and leadership in an evolving global landscape."

Whether you're seeking to enhance compliance, adopt emerging technologies, or lead in the energy transition, Gosships offers the resources you need to succeed.
