**Water Damage Restoration:**

Water damage can occur suddenly due to floods, burst pipes, or appliance failures. MRC Restoration’s team responds promptly, utilizing advanced water extraction methods and industrial-grade drying equipment to prevent long-term damage. By addressing water issues within the crucial first 24 hours, they minimize structural damage and the risk of mold growth, ensuring properties are restored

to their original condition.

### Mold Remediation:

Mold often follows water damage and can pose significant health risks. MRC Restoration employs certified mold remediation experts who use cutting-edge techniques to detect, remove, and prevent mold growth. Their thorough process ensures a safe and healthy environment, protecting both the property and its occupants.

### Fire Damage Restoration:

Recovering from a fire can be an overwhelming experience. MRC Restoration offers fire damage restoration services to handle every aspect of recovery, from smoke and soot removal to structural repairs and odor elimination. The team approaches each project with sensitivity and professionalism, ensuring that clients feel supported throughout the restoration process.

### Sewage Cleanup:

Sewage backups present unique challenges due to their hazardous nature. MRC Restoration provides expert sewage cleanup services, ensuring the safe removal of contaminants, proper sanitation, and restoration of affected areas. Their meticulous process prioritizes the safety and well-being of their clients.

### 24/7 Emergency Services:

Emergencies don't wait for regular business hours, which is why MRC Restoration offers 24/7 emergency response. Whether it's a middle-of-the-night flood or unexpected fire damage, their team is always ready to act quickly, minimizing further damage and providing immediate relief to clients in distress.

### A Commitment to Excellence

Founded in 2017, MRC Restoration has grown into a trusted name in the restoration industry. Led by owner Mark Curfman, a Triple Master Restorer certified by the Institute of Inspection, Cleaning, and Restoration Certification (IICRC), the company's team brings unmatched expertise and technical skill to every project. Their certifications include Water Damage Restoration (WRT), Fire and Smoke Restoration (FSRT), Mold Remediation (AMRT), and more, ensuring clients receive the highest standard of service.

"Our mission is to restore not just properties but peace of mind for families and businesses in Southeast Missouri," said Curfman. "We understand the emotional and financial challenges disasters bring, and we're here to help our clients rebuild with confidence."

### Serving Southeast Missouri with Local Expertise

As a local company, MRC Restoration is deeply invested in the communities it serves. From Bonne Terre to Farmington, Park Hills, and beyond, their team understands the unique needs of Southeast Missouri residents and businesses. By focusing on local service, MRC Restoration

provides fast response times and personalized care, ensuring each client feels valued and supported throughout the restoration process.

Looking to the Future

With a commitment to continuous improvement, MRC Restoration plans to further expand its service capabilities and strengthen its ties to the community. Their dedication to using advanced technology, ongoing training, and a customer-first approach has positioned them as a leader in the restoration industry.
