Starting January 14, 2025, LVAC members will enjoy 25% off all aesthetic services, from cutting-edge laser hair removal to revitalizing IV therapy and wellness boosters. To celebrate, Rove will host engaging monthly pop-up events at LVAC's Flamingo Road

location, where attendees can learn more about its premium services.

Introducing Potenza RF Microneedling:

Rove Wellness & Medspa is proud to debut Potenza RF Microneedling, a revolutionary treatment that combines advanced microneedling technology with radiofrequency. Designed to stimulate collagen production, tighten skin, and reduce fine lines, Potenza offers customizable treatments for a diverse range of skin tones and conditions. With FDA-approved devices that ensure safety and efficacy, Rove continues to address the lack of inclusive options in the aesthetic industry.

A Sophisticated Presence at Polo America:

This February, Rove will elevate the luxury experience at the 2025 Polo America Polo Match in Las Vegas. Guests are invited to visit Rove's mini showroom inside the MacDonald Highlands

home on February 28th and stop by Polo Village at South Point on March 1st. The event promises two days of glamour, featuring cocktail parties, jewelry showcases, Lamborghinis, gourmet food, and thrilling polo matches. Attendees will have the chance to participate in Rove's exclusive raffle for three complimentary Potenza treatments.
