

Rant Sports, Hockey Stick Fittings, announce strategic partnership

Global sports icon Rant Sports has partnered with cutting edge Canadian website Hockey Stick Fittings (HSF)

RICHBORO , PA, UNITED STATES, January 27, 2025 /EINPresswire.com/ -- Hockey Stick Fittings (HSF), the innovative platform revolutionizing how hockey players find their perfect stick, is proud to announce an exciting collaboration with Rant Sports, one of the leading voices in sports journalism. Together, they have launched a brand-new monthly column titled 'Hockey Stick Fittings Sniper of the Month', celebrating outstanding goal-scorers in hockey across all levels.

Hockey Stick Fittings has collaborated with Rant Sports

'Hockey Stick Fittings Sniper of the Month' highlights elite sharpshooters who demonstrate exceptional scoring prowess and accuracy on the ice. Each month, the column will feature an in-depth profile of the selected player, providing insights into their playing style, the equipment they use, and how it complements their unique skills.

“

We are thrilled to partner with Rant Sports. We believe the right stick is crucial to a player's success. This is a perfect chance to showcase players excelling with the right equipment”

Justin Lafleur

So far, three players have won the award: Montreal's Cole Caufield for October, Colorado's Mikko Rantanen for November, and Colorado's Artturi Lehkonen for December.

“We are thrilled to partner with Rant Sports for this exciting new feature,” said Justin Lafleur, Founder of Hockey Stick

Fittings. “At HSF, we believe the right stick is crucial to a player's success, and this collaboration is a perfect opportunity to showcase players excelling with the right equipment.”

To celebrate the launch, Hockey Stick Fittings is offering free stick fittings.

Picture this: effortlessly finding the most suitable hockey stick within your budget, every single time. Crafted by a passionate Canadian tech developer and lifelong hockey enthusiast, HOCKEYSTICKFITTINGS.COM is your ultimate guide through the complex world of hockey sticks.

With over a decade of experience at top global tech companies, HSF's creator blends smart technology with hockey expertise to simplify stick selection. Through a few simple inputs about your game, HSF's cutting-edge algorithm identifies the best stick options tailored to your style and preferences. Acting as both your guide and broker, HSF scours reputable retailers to find the best deals on your perfect stick.

"Partnering with Hockey Stick Fittings enhances Rant Sports' commitment to delivering unique, actionable insights for sports enthusiasts," said Sean Miller, Editor-in-Chief of Rant Sports. "We're excited to highlight the top snipers who bring thrilling moments to the rink while educating our readers about the game-changing impact of the right equipment."
