We greatly value our live performances and are valued by event organizers for our reliability and professionalism. In December 2016 we released our self-produced debut album "World Ablaze". The following EP "Silence Lost its Appeal" celebrated its release in April 2019 in the "Szene Wien". Our EP "Ignorance is Bliss" and the accompanying double CD have just been released. Our members are between 24 and 32 years old. Our texts are socially critical - but we consciously perform apolitical.
