A medical spa, also known as a med spa, is a hybrid between a medical clinic and a day spa. Medical spas offer a range of aesthetic and wellness treatments that are typically only available in medical settings, such as injectables (Botox, fillers), laser treatments, chemical peels, microdermabrasion, and other cosmetic procedures. The global [medical spa market](#) size was valued at \$12,438 million in 2020, and is estimated to reach \$29,542.33 million

by 2030, growing at a CAGR of 9% from 2021 to 2030. Medical spas, also known as medispas, are a distinct combination of medicine and aesthetics. They provide medically recommended and supervised quality cosmetic treatments in a relaxing environment.
