LONDON, UNITED KINGDOM, January 28, 2025 /EINPresswire.com/ -- The NFT Marketplace, Inc. (NFTM) Completes Acquisition of Strong AI Invest Limited

This acquisition is a testament to NFTM's commitment to identifying and securing transformative companies that align with our strategic vision."

Ben Quick CEO

The NFT Marketplace, Inc. (NFTM), an innovative leader in the web3, fintech, and AI sectors, is pleased to announce the completion of its acquisition of Strong AI Invest Limited, a UK-based company specializing in AI-driven mental health solutions. The acquisition was finalised today, by all parties signing the Share Purchase Agreement (SPA), marking a significant step forward in NFTM's ambitious roll-up strategy to consolidate high-growth

companies in emerging digital markets.

Strategic Rationale

The acquisition of Strong AI aligns perfectly with NFTM's mission to expand its technology-driven portfolio and establish a leadership position in the AI and digital wellness sectors. Strong AI brings proprietary technology, and a scalable platform designed to deliver empathetic and responsive mental health support through advanced AI.

"This acquisition is a testament to NFTM's commitment to identifying and securing transformative companies that align with our strategic vision," said Ben Quick, CEO of NFTM. "Strong AI's innovative approach to mental health AI solutions positions NFTM at the forefront of a rapidly growing market, creating tremendous opportunities for revenue generation and shareholder value."

Key Benefits of the Acquisition

- **Technological Advancements:** Strong AI's proprietary platform integrates reflective listening, emotional intelligence, and crisis response features to provide scalable mental health support.

- **Market Expansion:** The acquisition enables NFTM to establish a presence in the fast-growing AI-driven digital wellness space, addressing critical global mental health needs.
- **Path to Revenue:** Strong AI's structured development roadmap includes milestones leading to a full public launch, with revenue generation projected to begin in 2025.

Strong AI's Development Roadmap

The first milestone for Strong AI focuses on:

1. Building Core Infrastructure to support advanced AI capabilities.
2. Completing an MVP (Minimum Viable Product) with foundational features for empathetic user interactions.
3. Integrating Emotional Intelligence and Reflective Listening for enhanced mental health support.

These milestones set the foundation for growth, with subsequent phases leading to a comprehensive platform launch by the end of 2025.

About Strong AI Invest Limited

Headquartered in London, UK, Strong AI specialises in developing AI tools that provide responsive, scalable, and empathetic mental health support. Its proprietary platform leverages advanced emotional intelligence and AI to offer meaningful and personalised interactions for users, addressing the growing demand for accessible digital mental health solutions.
