and efficient customer service.”

- Piero Sciancalepore, Export Manager, Emporio Skin

[EMPORIO SKIN THERMOFUSED LAMINATES](#) – Made in Italy is synonymous with Made with Quality. In 2008, Kronospan landed in Italy, giving birth to Emporio Skin, a collection of the highest quality and creativity in Thermofused laminate panels. Emporio Skin embodies the expected excellence in Kronospan products and production, entirely made in Italy. “We believe if you want to make a great design, you have to start with the right material.”

The standout feature of this collection lies in the details: from the decors to the textures, every aspect has been carefully designed to captivate both touch and sight.

The Western U.S. color palette will include: Twenty-two color choices in 4 Collections: Woods, Fabrics, Cements & Metals

National Wood Products, Inc. opened its doors in 1984 with one '56 Hyster Forklift, a used delivery truck, 5,000 square feet of warehouse space and 12,000 board feet of hardwood lumber. Things have changed a bit since that time, but one thing that hasn't changed is our ability to provide quality products and top-notch customer service. We are now a multi-product Hardwood Lumber and Plywood Distributor, adding melamine, TFL and high gloss and super matte lacquered panels.

National Wood Products, Inc. has been in business for 40 years and is a subsidiary of Baillie Lumber (www.baillie.com), one of the largest Hardwood conglomerates in the United States.

We are proud to represent some of the most highly respected Hardwood lumber mills, plywood manufacturers, Kronospan products and OneSkin Inspiring Panels.

With locations in Southern California, Northern California, Denver, and Salt Lake City we have the western U.S. covered. Check us out at www.nwpsocal.com and on our social media pages
