“Savor the Avenue is one of the most highly anticipated events every year and is one of the highlights of the season for people who love living in and visiting Delray Beach,” said Laura

Simon, Executive Director of the Delray Beach DDA. "The opportunity to join with the entire community to enjoy some of the most delicious food in South Florida, while sitting in the middle of Delray's most iconic street just can't be missed!"

The prestigious culinary event continues to be recognized around the country as one of the most fun and sought-after experiences. The event is reservation-only and typically sells out within 24 hours. It attracts about 1,000 guests each year and thousands more come downtown to stroll the Avenue and see the beautiful tablescapes created by each of the participating restaurants.

The restaurants compete for the "Best in Show" table. From elegant to eclectic, each restaurant stages a unique theme through its table settings that showcases its special style or cuisine. Guests are encouraged to arrive early and walk the Avenue to view the beautifully decorated tables. Last year, Lemongrass took home the grand prize, while Rocco's Tacos and Rose's Daughter took second and third place, respectively.

Reservations open on February 3, 2025, and must be booked directly with the participating restaurants. Prices vary and are set by the restaurant; please check with the restaurant when booking. Each restaurant offers limited seating, oversees booking the reservations for its table and collects payment from guests.
