

# Gorilla Marketing Revamps Subscription Plans to Better Support IT and MSP Clients

---

*Gorilla Marketing, a leading agency in MSP & IT marketing, unveils its new subscription services, including the new Gorilla App.*

OR, UNITED STATES, January 29, 2025 /EINPresswire.com/ -- [Gorilla Marketing](#), a leading marketing agency for IT and MSP companies, has unveiled a revamped structure for its subscription plans. This strategic update highlights the company's dedication to enhancing its services and showcasing its latest advancements, including access to the innovative Gorilla App.

The Gorilla App is the ultimate foundation for any company looking for a comprehensive, all-in-one solution to keep your marketing organized and drive maximum campaign impact. It provides a clear roadmap for identifying strengths and weaknesses in your branding while also serving as a powerful organizational tool for all your content. Designed to streamline and elevate your marketing efforts, the Gorilla App is included with every Gorilla Marketing plan.

The updated plans also introduce a more streamlined approach designed to empower IT and MSP businesses to enhance their marketing efforts more precisely. These plans encompass a range of essential services, including content creation, email marketing, and SEO optimization, with flexible packages tailored to fit various budgets and goals.

"We're so pumped about restructuring our marketing plans for our clients," said Matt Middlestetter, the Founder of Gorilla Marketing. "Our goal is to provide our clients with marketing solutions that are proven to work. As an MSP owner myself, I understand the unique challenges IT and MSP companies face, and my team and I at Gorilla are committed to helping them succeed through our innovative marketing strategies."

For more details about their services, visit their website or contact them directly. Gorilla Marketing looks forward to empowering IT and MSP companies to achieve their marketing ambitions and drive sustainable business success.
