The audience was so loud that I could hear all the lyrics to those two songs from the stage but also from the crowd who was yelling / singing the lyrics behind me. It felt like a surreal experience. - Sleaze Roxx

Don't miss your chance to witness rock history! - KNAC

Formed in 1982, W.A.S.P. is set to bring this universally acclaimed "classic" album to life. Lead vocalist Blackie Lawless says, "It was an angry record made by an angry band. It was a record that not only reflected the attitude of the band members who made it, but also a record that reflected its time." This record became a central piece of the 80s metal scene and remains one of the best metal debut albums of all time.

Along with bassist Mike Duda and lead guitarist Doug Blair, whose tenures in the band are 29 and 26 years respectively, W.A.S.P. is joined by long-time drummer extraordinaire Aquiles Priester.

Lawless and company will deliver the ultimate incredible spectacle, bringing W.A.S.P.'s most colorful history to life by performing this revered album in its entirety... ONE more time... ONE last time... Album ONE Alive!

W.A.S.P. will be again offering fans VIP tickets at select shows that give fans a chance to meet Blackie Lawless, get a personal photo with Blackie, autographs and take part in a very personal Q&A with Blackie. VIP tickets can be purchased at <https://waspnation.myshopify.com>

W.A.S.P. Bonus Tracks and B-sides is set for release on February 13th on digital services. The 7 Savage boxset and is available now at https://waspmadfish.lnk.to/7_Savage_CD
