

ROBIN HILLS SELECTED FOR IAOTP'S TOP 25 GLOBAL IMPACT LEADERS

Dr. Robin Hills Honored Member of the International Association of Top Professionals (IAOTP) will be honored at their annual awards gala in Las Vegas

NEW YORK, NY, UNITED STATES, January 29, 2025

/EINPresswire.com/ -- Robin Hills, Doctor of Advanced Studies – Psychology (honoris causa) Emotional Intelligence Online Course Creator, Leadership and Management Trainer, and Coach, was recently selected to be featured in the 2nd Edition of Top 25 Global Impact Leaders by the International Association of Top Professionals (IAOTP) for his outstanding leadership, dedication, and commitment to the online education industry.

While being selected to be published in IAOTP's Top 25 Global Impact Leaders is an honor, only 25 of the world's most brilliant minds who significantly influence the Earth through their work and actions are selected for this distinction. These are individuals who push boundaries and challenge the status quo. They create positive change and inspire others to do the same.

These special honorees are passionate about making a difference and have the skills, knowledge, and resources to make an impact. Robin Hills has proven himself an extraordinary professional and expert in the field. The first edition, with each honoree having a dedicated chapter, became an international bestseller in Australia, the UK, Canada, and the United States. Robin will be honored for this distinction at IAOTP's Annual Awards Gala in December 2025 at the magnificent Bellagio Hotel in Las Vegas.

With over four decades of experience, Dr. Hills is a specialist in emotional intelligence, focusing on the strategic use of emotions to support personality and behavior in business, thereby enhancing productivity and driving success in the workplace.

Dr. Hills' expertise spans many professional areas, including working with small start-ups and large multinationals in commercial, project management, and line management roles. He is also deeply committed to education, running programs on resilience and emotional intelligence utilized in educational institutions across South Africa and India. He has reached over 500,000 learners across 200+ countries through his online emotional intelligence courses.

Dr. Hills is the author of *The Authority Guide to Emotional Resilience in Business* and has contributed to *The Authority Guide to Emotional Resilience in Business*, both published in *The Authority Guide Series*. His research and insights have led to keynote addresses at international conferences on emotional intelligence and neuroscience,

covering regions such as the UK, the US, the Middle East, South Africa, and India, in addition to numerous online events. He is available for conference speaking engagements and commissioned writing projects related to emotional intelligence and neuroscience.

Dr. Hills' areas of expertise include but are not limited to, team building, leadership development, executive coaching, change management, corporate training, diversity and inclusion, and public speaking.

Before starting his career path, Dr. Hills earned his Bachelor's in Biology from Durham University in 1980. Last year, he was awarded an Honorary Doctorate, Doctor of Advanced Studies in Psychology, from Universidad Azteca.

Throughout his illustrious career, Dr. Hills has received many awards and accolades and has been recognized worldwide for his accomplishments. In 2024, Dr. Hills was honored with several prestigious awards, including Top Facilitator of the Year in Emotional Intelligence by IAOTP. He was also recognized as Best Transformative Emotional Intelligence Coach by CIO Today, Transformational Leader of the Year by Exeleon Magazine, and Best Emotional Intelligence Training Provider, UK, by the SME News Business Elite Awards. This year, he will be considered for a feature in TIP (Top Industry Professionals) Magazine. In December, Dr. Hills will be honored for his selection as one of the Top 25 Global Impact Leaders at IAOTP's annual gala at the Bellagio Hotel in Las Vegas.

Looking back, Dr. Hills attributes his mindset as crucial to success. Developing a positive attitude

and a growth mindset is key. When not working, he enjoys spending time with his family. In the future, he hopes to continue to inspire and influence those working in online education to positively incorporate AI and gamification into their teaching methodologies to promote more engaging and effective learning experiences for students worldwide.
