“This partnership couldn't come at a better time,” said Alessandra Lezama, CEO of TOOTRiS and member of the ReadyNation CEO Task Force on Early Childhood. “June Care's caregivers bring a profound understanding of the joys and responsibilities of raising children. By integrating June Care's compassionate network into TOOTRiS, we're equipping working parents with all kinds of resources they need to succeed—offering trust, flexibility, and quality care solutions so they can thrive both at work and at home.”

Unlocking Opportunities for June Care Providers

For June Care, the collaboration with TOOTRiS means more than just reaching families—it means unlocking access to a nationwide network of employer-sponsored working parents seeking flexible care solutions. By leveraging TOOTRiS, June Care providers gain the opportunity to connect with parents who value and prioritize high-quality, in-home Child Care. This partnership enables local moms and sitters to grow their caregiving businesses, build lasting client relationships, and increase their earning potential.

“Partnering with TOOTRiS expands our mission to deliver flexible, personalized care to more families while giving our providers access to a steady pipeline of employer-sponsored parents looking for trusted care,” said Gretchen Salyer, CEO of June Care.

“I love it. It sounds innovative and exciting,” said Kasey, a June Care mother with a 4 and 6 year-old at home. “When I started with June Care, it’s because I was only working part time - 5 hours a day, 4 days a week, and I felt like I wasn’t contributing. Having this opportunity has been a tremendous weight lifted off our shoulders.”

Addressing the Child Care Crisis

Child Care costs and availability remain a crisis for families, with 66% of moms considering leaving the workforce due to stress and expense. More than half of parents struggle to find care that aligns with their needs. This partnership solves these challenges by connecting families with trusted caregivers via a seamless, real-time platform**.

“Working moms deserve quality Child Care solutions that match the rhythms of their lives,” said Reshma Saujani, Founder and CEO of Moms First. “That means flexible care options that match the modern workforce and loving, experienced caregivers they can trust. By combining the powerful resources of TOOTRiS and June Care, parents are able to pursue their dreams with confidence, knowing their children are in safe, nurturing hands. This partnership is a game-changer for families everywhere.”

Together, TOOTRiS and June Care are redefining Child Care—making it accessible, affordable, and community-driven.
