Since its inception, Brandnew Clinic has been at the forefront of aesthetic innovations. Throughout February, clients who subscribe to the clinic's official social media channels—Instagram, KakaoTalk, and YouTube—can access special promotions, including treatments such as a 10cc collagen injection, 200-shot Ulthera combined with Tune Liner, and the signature 15A+15A Contour Injection. Details on the promotions can be found on the clinic's official website.

Additionally, an offline giveaway event for paying customers will run from February 1 to 28, offering approximately 300 prizes. Clients who complete a purchase during this period will receive a chance to win gifts such as gift vouchers, YSE toner, and valet parking coupons.
