Prostate Health Tea Supports Healthy Prostate Function

As men age, prostate health becomes a top concern. This time-honored formula based on Traditional Eastern Herbalism helps maintain normal urinary and prostate function. Made in the USA, Bravo Tea’s functional blends are based on the wisdom of Traditional Eastern Herbalism, a natural holistic system that has been practiced for over 4,000 years, cultivating health and

wellness.

Bravo Tea Facts

All Bravo Teas are crafted with authentic traditional herbs grown on their own organic farm. These products are Non-GMO Project Verified, gluten-free and caffeine-free. No dyes or artificial flavors are ever used. The authentic blends are unlike any other on the market today.

Bravo Tea Award Winners

James Liu, founder and CEO of Bravo Teas emphasizes the focus on quality of the herbs, most of which come from their own farms on the Tibetan plateau, which is the highest plateau in the world. James comments, "We bring the best of Traditional Eastern Herbalism to people in need. Our teas follow the recipes of ancient herbal remedies that have been used for millennia and are created in accordance with the most stringent quality standards here in the United States."

“

Bravo Tea offers a wide variety of affordable, high-quality functional and single-herb, Non-GMO teas for specific benefits."

James Liu

Liu points to the Bravo Tea brand mission, highlighting that herbal tea drinkers are seeking genuine products that offer relaxation, minimized discomfort and improvement of body functions while providing the finest aroma and taste from natural herbs. "Bravo Tea offers a wide variety of affordable, high-quality functional and single-herb, Non-GMO teas for specific benefits."

About Bravo Tea

Bravo tea is a family-owned company. By growing these herbs on their own organic farm high in the mountains on the Tibetan Plateau, they are able to make these authentic herbal tea formulas affordable and more accessible. The functional teas are based on recipes that have existed in Eastern herbalism for Centuries. Indigenous herbal medicine is still practiced all over the world and has existed in nearly every continent for as long as there have been human beings.

We believe in the power of natural remedies and have a strong belief in the protection of the natural world. We strive to promote a healthy planet while nurturing healthy people.
