

DR. LIN MENTORS ORTHODONTISTS NATIONWIDE THROUGH ALIGN CONSULTING & BITE CLUB

Dr. Lin, founder of Fellow Orthodontist, mentors orthodontists nationwide through Align™ elevating patient care with expert Invisalign® treatment.

MANHATTAN, NEW YORK CITY, NY, UNITED STATES, January 30, 2025 /EINPresswire.com/ -- Dr. Lin, board-certified orthodontist and founder of Fellow Orthodontist, is taking his expertise beyond the treatment chair. Through his work as a trusted consultant for Align™ Technology and the creation of Bite Club, Dr. Lin is mentoring orthodontists nationwide, elevating the standard of care for patients everywhere.

Dr. Lin's dual role as both a clinician and educator has earned him a reputation as "the orthodontist's orthodontist." His mentorship and guidance help other orthodontists refine their skills and master the art of Invisalign® treatment, ensuring exceptional outcomes for patients across the country.

Teaching the Teachers

Dr. Lin's Bite Club mentorship program, through his easily accessible Youtube channel, provides orthodontists with weekly insights into the intricate details of Invisalign's ClinCheck® technology. This digital planning system is central to creating effective and efficient orthodontic treatment plans, and Dr. Lin's expertise empowers his peers to unlock its full potential.

"My work with Align™ and Bite Club allows me to share insights that elevate patient care across the industry. That same expertise is what I bring to every patient at Fellow Orthodontist," said Dr. Lin. "My mission is to help other doctors excel in their craft, boost their clinical efficiency, and sharpen their skills, so together, we can provide better care and treatment outcomes for all

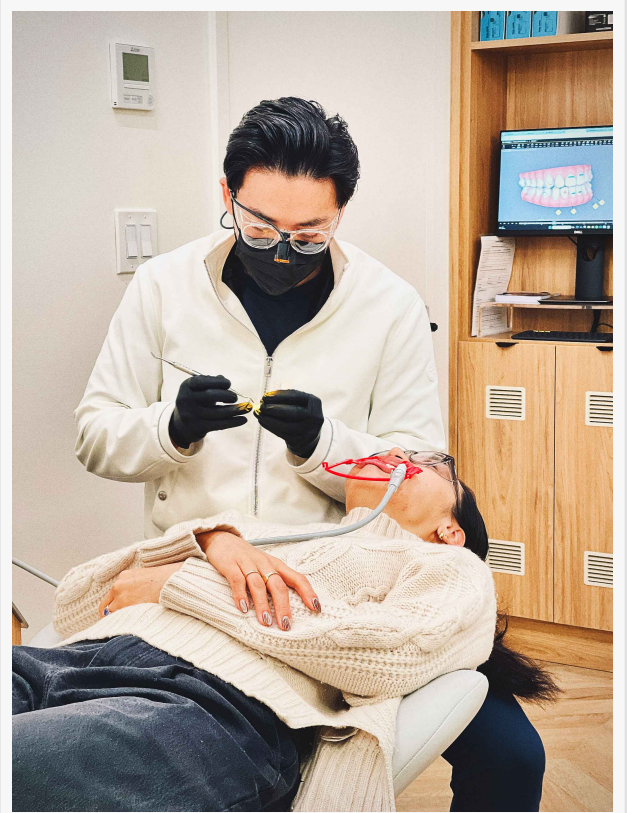

patients."

Align Consulting: Expertise That Benefits Patients

As an Align™ Technology consultant, Dr. Lin continually hones his own skills while contributing to advancements in digital orthodontics. His work includes collaborating on complex cases and pushing the boundaries of what Invisalign treatment can achieve.

Patients at Fellow Orthodontist in Union Square experience the direct benefits of this expertise, including:

Precision treatment planning using ClinCheck® technology for customized, predictable results. Faster treatment times with fewer office visits by using a streamlined, efficient approach with virtual care options that accommodate busy lifestyles. Confidence in care knowing their orthodontist is a trusted mentor and innovator in the field.
