Anoox Instant Messenger ("AIM") is a Free Service of Anoox Social network - offered for Free* via Advertising and Donation support.

Via AIM People Worldwide can be connected with their Colleagues, Family & Friends where with 1 Click they can have Secure communication with each other including have high quality Video & Voice calls for Free. AIM is 100% Web based so no Download and continuous Update is needed.

Why? Because in Today's World where privacy concerns are at an all-time High, the Public wants to know that their communication and messaging can enjoy 100% Privacy when they want it to. This is what AIM offers the Public now via the following Options:

- 1- Members can Opt to have their messages not Recorded at all
- 2- Members can Opt to have all their messages self-destruct and Expunged after certain number of days, from 1 to 30 days

Said B Dean Ansari,
Managing Director, with this
new 100% Privacy capability,
we are making sure People's
and Business's
communications beside
being Secure, are as Private
as they want it to be."

3- Members can Opt to have all their messages with
selected individuals Expunged with 1 Click at will

Additional Key Features of Anoox Instant Messenger
toward creating Privacy are: End-to-End Encryption for
every message, Voice call, and Video call.

"Said Bahram Dean Ansari, Managing Director of Anoox,
with this new 100% Privacy capability, we are making sure
that People's and Business's communications beside
being Secure, are as Private as they want it to be. Because
in Today's World the Public needs a safe, private, and

transparent platform where People and Businesses, specially Small businesses, can feel
confident that their conversations enjoy Ironclad Privacy. Because Privacy is a fundamental
Right."
