CLONE COPS tells the story of an alternate future where a gang of outlaws must defend their lives against an assault from the hottest product on the market -- a disposable police force cloned in a lab and programmed for violence. The gang battles waves of replicating security forces until they discover a shocking secret about who they are and what they're up against. They are unwitting gladiators on CrimeTime360, the highest rated combat streaming show on the net, which pits criminals against swarms of Clone Cops to advertise the capabilities of Nefaricorp's fastest-growing product line. Now it's a race against time as they attempt to escape certain doom at the hands of the Clone Cops.

Directed by Danny Dones from a screenplay by Dones & Phillip Cordell, CLONE COPS was produced by Charles Royce, Nate Eggert, and Phillip Cordell. The cast features Phillip Cordell

('Clone Cop'), Ravi Patel ('Robert Nefari'), Quinnlan Ashe ('Fera'), Steve Byrne ('Spokesman'), Ted Welch ('Brick'), Allison Shrum ('Cipher'), Laura Holloway ('Porter'), Schyler Tillet (Kinder'), Dean Shortland ('Murphy'), Henry Haggard ('Frank'), Rashad Rayford ('Freddie'), Justin Tarrents ('Thongdaddy420'), and Victoria Keum Jee ('Persephone').

"I'm so excited to be partnering with Freestyle Digital Media for the release of CLONE COPS" says Director and Co-Writer Danny Dones. "We made this movie for people who love campy sci-fi comedies, and we've been having a blast showing it to them at festivals and theaters across the country. Now, we can finally bring this weird little indie flick to people's living rooms! I want to thank our incredible cast and crew for everything they've contributed, and the continuing support they've shown for CLONE COPS as we've worked to bring it to screens large and small. Making this movie was so much fun, and now we get to share that experience with audiences everywhere!"

Freestyle Digital Media negotiated the deal to acquire CLONE COPS directly with Glen Reynolds of Circus Road Films.
