

Global Link Law Unveils Legal Advisory Services for Healthcare and Tech

Global Link Law unveils a revamped website, expands legal services, and launches Lawriocity® to help law firms thrive in a dynamic business landscape.

PHILADELPHIA, PA, UNITED STATES, February 4, 2025 /EINPresswire.com/ -- Global Link Law is proud to announce the launch of its newly revamped website, marking a significant milestone in its evolution as a leader in legal strategy and business consultancy.

We listened to our clients and decided to redesign our services by offering them solutions to challenges they face in the marketplace, ensuring they can partner effectively to navigate these challenges. As we enter this next phase, Global Link Law reaffirms its commitment to delivering tailored legal and business solutions for the global healthcare, technology, and legal industries.

Reflecting on One Year of Growth and Innovation

The past year has been a transformative journey for Global Link Law. We extend our heartfelt gratitude to the clients who have placed their trust in us and collaborated with our team during this exciting time. Their invaluable feedback has shaped our refined service offerings, allowing us to better address market needs.

Building on this momentum, our team of legal experts and consultants remains committed to providing strategic legal guidance for the healthcare and technology industries. We help businesses navigate regulatory complexities, protect their assets, and facilitate cross-border expansion—ensuring they have the legal support needed to grow and succeed in global markets.

With the rapid advancement of technology in these sectors, the legal landscape is evolving just as quickly. To meet these growing demands, Global Link Law is expanding its team with seasoned experts in AI, trademark, and technology law.

We are pleased to welcome Lewis D. Sorokin, Fred Wilf, and Joshua D. Waterson, highly experienced attorneys specializing in technology law, along with Thomas H. Kelly, a respected copyright and trademark attorney. Their expertise strengthens our ability to provide comprehensive legal guidance to businesses operating in highly regulated and dynamic industries.

Expanding Focus to Law Firm Consultancy

Building on our expertise, Global Link Law is now also transitioning to serve as a business consultancy tailored specifically for law firms through the Lawriocity® platform. This new service line is designed to help law firms evolve into more efficient and profitable businesses by:

- Providing training for lawyers on essential business skills, such as selling services, pricing strategies, and operational management.
- Addressing gaps in traditional legal education by empowering firms to think and operate like business leaders.
- Delivering tailored solutions that drive growth, improve client service, and optimize firm operations.

A New Face for Global Link Law

Our redesigned website embodies the lessons we've learned and the enhanced focus we bring to our work. It showcases our expanded range of services, industry expertise, and client success stories in a modern and user-friendly format. Our transformation reflects who we are today: a trusted partner dedicated to guiding clients through the intricate intersection of law, business, healthcare, and technology.

Looking Ahead

As we move into 2025, GLL remains committed to agility, innovation, and client-focused service. With our expanded service offerings, we're poised to help businesses and law firms thrive in an increasingly complex and competitive global market.

About Global Link Law

Global Link Law specializes in providing strategic legal and business solutions to the healthcare, technology, and legal industries. We empower businesses to navigate complex regulatory environments, expand into global markets, and achieve sustainable growth. We are positioned as the partner of choice for companies and law firms looking to excel in today's dynamic landscape.
