

Craters & Freighters Expands with New Location in Cincinnati/Dayton

Craters & Freighters opens a new 21,000 sq. ft. facility in Cincinnati/Dayton, expanding its specialized crating and logistics services across the Midwest.

CINCINNATI, OH, UNITED STATES, January 31, 2025 /EINPresswire.com/ -- Craters & Freighters, the nation's leading provider of specialty crating, [packaging](#), and transportation services, is pleased to announce the grand opening of a new location in Cincinnati/Dayton, Ohio. This expansion represents an exciting step in the company's mission to deliver exceptional logistics solutions across the United States. The new location brings the total number of Craters & Freighters facilities to 65 nationwide.

Craters & Freighters expands its nationwide network with a new location in Cincinnati/Dayton, reinforcing its commitment to specialized crating and shipping solutions.

Known for its expertise in handling high-value, oversized, and fragile assets, Craters & Freighters has been a trusted partner for businesses and individuals for over three decades. With its comprehensive network of locations, the company provides tailored solutions for a wide range of industries, including electronics, aerospace, fine art, technology, and heavy machinery/commercial equipment.

Our expansion into Cincinnati/Dayton demonstrates our commitment to meeting the growing demand for specialized crating and shipping services in the Midwest."

John Bower, Owner of Craters & Freighters Cincinnati/Dayton

WELCOMING LEADERSHIP EXCELLENCE

The new location will be led by John Bower, the current owner of the Craters & Freighters Kansas City location, who brings strong leadership and extensive experience to the growing network. Supporting him is Ben Bower, serving as the Regional Vice President, who will manage day-to-day operations with a commitment to excellence and fresh

energy.

“Our expansion into Cincinnati/Dayton demonstrates our commitment to meeting the growing demand for specialized crating and shipping services in the Midwest,” said John Bower. “With a focus on providing exceptional customer service and cutting-edge solutions, we look forward to building strong partnerships with businesses and residents throughout the region.”

STATE-OF-THE-ART FACILITY

Located at 140 Industrial Dr, Franklin, OH 45005, the new facility spans an impressive 21,000 square feet. It is equipped with advanced tools such as an automated beam saw and a TigerStop push feeding saw, ensuring the highest standards in professional packing and crating.

COMPREHENSIVE SERVICES

[Craters & Freighters Cincinnati/Dayton](#) will offer a full suite of services, including:

- Custom Crating: Designing and building crates tailored to the specific dimensions and requirements of each item.
- Specialized Packaging: Utilizing advanced materials and techniques to protect fragile, valuable, or sensitive assets.
- Domestic & International Shipping: Providing seamless logistics solutions to destinations worldwide.
- White-Glove Delivery: Offering specialized handling and delivery services for high-value or delicate items.
